## HAPPY MAY!

Spring flowers are blooming, trees and grass are finally turning green as sunshine peeks through. Hopefully we are all winding down with finals and last days of class to sneak a peek at these wonders of nature and take a deep breath. As the semester comes to an end we are celebrating our students' academic accomplishments through commencement, scurrying to recruit, admit and orient new students for fall and hopefully find time for some summer fun.

Next up for OACRAO members is the the Residency Workshop on June 4, 2019 at the Ohio State University. I hope you can attend this and possibly some of the other professional development opportunities coming soon. These are great opportunities for us to stay connected and grow professionally in our jobs every day.

Enjoy reading about all of our upcoming events, planning and member campus activities. Have a great May and please reach out to me or one of the board members if you have any questions or suggestions. The organization is here for our members.

Special thanks to our newsletter editors: Michelle Livingston and Cindy Suter.

Best regards,  
Sue Shepherd, OACRAO President

A Reflection for May

Every day, focus on your purpose. Remember why you do what you do. We don't get burned out because of what we do. We get burned out because we forget why we do it.
