# PRESIDENT'S REMARKS

September greetings!

It is starting to look and feel like fall and for those of us on college campuses summer is over as our students have, for the most part, returned. I hope your first days of school have gone well and that most of the students who came, stay. We usually lose a few those first weeks as the students realize the work involved and feel a little overwhelmed.

The Board, Program Committee and LAC are putting the finishing touches on the 2019 annual conference planning. It looks to be a terrific conference with lots of educational and fun opportunities to attend. The location is the beautiful scenic Salt Fork Lodge. By the time you get this, our block of rooms will have been released so I hope you got your room reserved. And if you haven't yet registered for the conference or a workshop, now is the time for that as well. Take advantage of the location as it is a beautiful setting with lots of scenery, hiking trails, etc. You may want to extend your stay and have your family join you as you enjoy the last bits of warm weather and outside fun among nature.

I hope to see and chat with you at the October conference, but in the meantime please reach out to me or one of the Board members if you have any questions or suggestions. The organization is here for our members.

Special thanks to our newsletter editor Michelle Livingston!

Best regards,

Sue Shepherd, OACRAO President

~ Kimberly Edge, Co-Chair OACRAO Scholarship Committee

The OACRAO Scholarship Application will open in October, but the Scholarship Committee still needs you! It is not too late to donate for the fundraising activities. If we are to continue to sustain the OACRAO scholarship fund, which provides scholarships to our outstanding Ohio students every year, we truly need your support.

If you decide to bring something, please let us know so that we are prepared to receive your donation. Additional information regarding drop-off at the conference will be available soon. If you are unable to attend, you can still contribute to this meaningful effort by donating through the OACRAO Scholarship [GoFundMe page](#).

*We look forward to seeing you  
at the conference!!!*

We will have a wonderful auction,  
50/50 raffle and wine grab.

## A look behind the scenes of the Scholarship Committee:

We have awesome team members working on the OACRAO scholarship committee, many of whom have done so for a few years.

Meet the amazing Marisa Richards, who is a Technical Enrollment Specialist at Cuyahoga Community College in Cleveland. She has been in this role for three years, and at Tri-C for eight years. Her educational background includes a M.Ed. in Higher Education Administration from Tiffin University, and a B.S. in Psychology with a minor in Sustainability from Baldwin Wallace University. Outside of work, Marisa and her husband Doug enjoy being outdoors and active with their kids: Miles (5), Ruby (2), and Boonen the dog. This will be Marisa's third year on the Scholarship Committee and fourth year attending the annual OACRAO conference. She enjoys serving on this committee for many reasons, but ultimately awarding the hardworking students their scholarship is the most rewarding. Marisa is looking forward to the upcoming OACRAO conference, especially attending the informative sessions, reconnecting with friends she met at OSI in 2018, and making new connections with new attendees.

We thank you Marisa for your dedication to the students at Tri-C and your work with the OACRAO Scholarship committee!

Stay tuned for more committee member highlights.

We are grateful for the support of OACRAO members across Ohio.

# BY-LAWS UPDATE

## OACRAO Town Hall Agenda Item

~ Beth DaLonzo, OACRAO Immediate Past President; Chair, By-Laws Committee

The 2019 Bylaws Committee met via email in June. After a thoughtful and thorough review of our organization's by-laws, the discussion yielded the following items that require editing:

\*\*Wording to include the potential for individual memberships available for when a person leaves their institution but wants to stay involved

\*\*Wording for a grace period for members who are no longer associated with a member institution

\*\*Statement of Board oversight of any contracted employee to assist the board and the membership

A draft of these suggested changes will be shared via the listserv. The bylaws changes will be discussed at the Town Hall Breakfast, and voted upon at the Business Lunch, as part of the upcoming 2019 Annual Meeting.

**See you there!**

Many thanks to this year's committee members for their efforts: Carol Jones, Chris McNay, Missy Weininger, and Frank Yanchak, Melinda Schneider, Cindy Suter, Regina Randall.
